

01 — IDENTITY MANUAL

Waiheke Backyards Solutions

Every mark, lockup, colour and rule for the brand — built to live across vehicles, workwear, paperwork, and screens.

One mark. Three lockups.

Three equal-weight lines balance the name. Horizontal for everyday use, vertical for square spaces, and an all-type fallback for type-only contexts.

03 AVATAR & FAVICON

AVATAR · 512 × 512

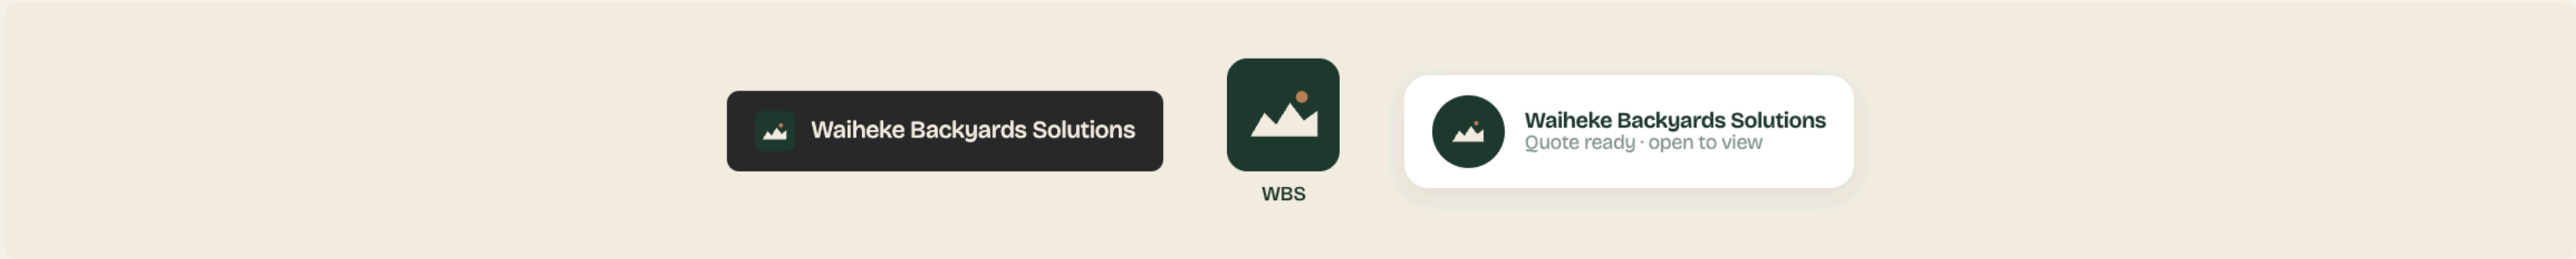

Rounded crop. Mark sits inside a coloured field. Used for Hnry profile, Instagram, WhatsApp Business, Google Business, email avatar.

FAVICON · 32, 64, 128, 256

Drops the baseline rule for clarity at small sizes. The sun disc remains in TIMBER. Rounded square corners (18%) – iOS-friendly.
